

## Recital Make-Up Guideline

### Make-up (All)

Foundation	close to skin tone, apply after moisturizer, loose powder preferred
Powder for in between	to touch up
Lips	apply chapstick or balm, line with darker or same color lipliner and fill with lipliner, apply lipstick, apply thin layer of clear gloss if looks crackly

### Broadway

Lips	Line with dark red liner and fill in, Crimson Red (sort of dark, not orange and bright) lipstick on top, gloss
Eyeshadow	natural tone on eyelid, white at eyebrow line and inside, med to dark brown at lashline and crease, extend to outer eye, fill with light pink or brown, blend outwards with shimmer
Eyeliner	liquid with felt tip best, black, extend past lash lines
Eyebrows	fill in same color either with pencil or dark eyeshadow with angled small brush, brush eyebrows
Contour	slightly darker than skin tone under cheekbone, sides of nose
Highlight	shimmer light color on top of cheek bone almost under eye
Cheek	rose colored blush
Mascara	black top and bottom, multiple layers
Concealer	under eye and blemishes (before Foundation/powder)

### Beauty

Lips	Rose / Pink Mauve
Eyeshadow	natural tone on eyelid, white at eyebrow line and inside, med brown at crease and outer corner, extend to outer eye, fill with light pink or light brown, blend outwards with shimmer
Eyeliner	liquid with felt tip best, black/brown, extend past lash lines
Eyebrows	fill in same color either with pencil or dark eyeshadow with angled small brush, brush eyebrows
Cheek	peach or pink blush applied at top of cheekbone by hairline, swoop down and circle up
Mascara	black/brown top and bottom
Concealer	as needed

### Stage Natural

Lips	Mauve
Eyeshadow	natural tone on eyelid, white at eyebrow line and inside, med to dark brown at crease, extend to outer eye, fill with light pink or brown, blend outwards
Eyeliner	liquid with felt tip best, black, extend past lash lines
Eyebrows	fill in same color either with pencil or dark eyeshadow with angled small brush, brush eyebrows
Contour	slightly darker than skin tone under cheekbone, sides of nose
Highlight	shimmer light color on top of cheek bone almost under eye
Cheek	dusty rose or peach colored blush
Mascara	black top and bottom, multiple layers
Concealer	under eye and blemishes (before Foundation/powder)
